Presentations and Posters:
Please send your abstract, via e-mail, to the relevant Session Chair indicated above. Please include a title, author(s) and a 150 word abstract.
Important Dates:
Abstracts Due: Monday, Aug. 26
Presentation Materials and Presenter Biography Due: Friday, Sept. 27
Reminder: Early-bird Registration Due: Wednesday, Sept. 4
Late Registration (no exceptions) Due: Wednesday, Oct. 2

Proceedings:
PDF copies of the Conference presentations will be provided to attendees on USB drives at the Conference. As well, presentations of interest to the CORM, CNC/CIE and CIE-USNC communities will be placed on our respective websites. As such, your permission is requested to save and publish your 2019 presentation in pdf format on one or more of the participating organizations websites. *A Presentation Release Request Form will be supplied to all presenters.*

Award for Best Poster: New for CORM 2019 is an award ($300 USD) for the best poster presented at the CIE/CORM Joint Poster Session for Students/Emerging Professionals.

Want to Exhibit your products or services?
This year's CORM and CIE/CORM Technical Conference will include exhibit opportunities. Attendees can reserve a 6' table with power to exhibit their products or services. There will be time for all attendees to visit the exhibits during breaks and at lunch at the 100 Sussex location and at the CIE/CORM Joint Reception at the Museum of History. Add the exhibit table to your registration for only $750 CAD (~$580 USD).
Contact Tim Moggridge with your exhibit questions.

Registration: Registration is now open at the following link:
Registration for 2019 CORM Annual Technical Conference and 12th Biennial Joint Meeting of the CNC/CIE and CIE-USNC
The Eventbrite registration page includes useful information and links on the conference venue, list of Ottawa downtown hotels, guidelines for presenters, speaker requirements form, and details of the exhibit opportunities. This registration link will also be available at the websites of the CNC/CIE (http://www.cnc-cie.ca/), CORM (www.cormusa.org) and the CIE-USNC (http://www.cie-usnc.org/).
